FOR IMMEDIATE RELEASE:

Hilliary Communications Donation Gives Cyril High School Students New Sports Facilities

MEDICINE PARK, OK -November 21, 2018- This week, Hilliary Communications announced they have donated $13,000 to the Cyril Public Schools to fund construction of a new field house at Cyril High School. The facility will include batting cages, concessions, restrooms and locker rooms adjacent to the football field.

The new facility – to be named Hilliary Communications Field House – is expected to be completed early next year in time for the Pirates' spring sports season.

Hilliary and the Cyril School District have enjoyed a 25-year relationship, during which time the communications company has provided a variety of services. Most recently the services include internet connectivity.

"Hilliary is proud to support the Cyril district, its' students and its' sports programs. We have been proud to serve the Cyril community for more than 25 years. The community not only includes some of our most loyal customers, but many of our employees' children attend the Cyril schools," said Dustin Hilliary, Managing Partner, Hilliary Communications.

Hilliary Communications: Hilliary Communications operates two ILEC properties in Oklahoma and a rapidly growing CLEC in Oklahoma. Hilliary proudly serves over 7,000 subscribers in Oklahoma and North Texas, operating in excess of 900 route miles of fiber providing transport services. At present, Hilliary Communications is deploying a new FTTH system to 8,000 new homes in Central Oklahoma.
